**THE COMFORT INN & SUITES AT BOSTON'S LOGAN AIRPORT
ANNOUNCES GRAND RE-OPENING CELEBRATION AND SCHOLARSHIP PROGRAM**

Revere, MA. July 8, 2011- The Comfort Inn & Suites at Boston's Logan International Airport recently announced an annual scholarship to celebrate the official naming of the remodeled meeting and function space, The Paul Revere Room. This announcement coincides with the completion of a multi-million dollar eco-driven renovation of all 208 spacious guest rooms including granite bathrooms and all public areas. Beginning in September 2011 and continuing each September, The Comfort Inn & Suites Scholarship will recognize and award a graduating Revere High School senior with a \$2500 scholarship to a College or University of his/her choice. "To show our commitment to the Revere community, its history and future, through the students, is one of the many reasons we have started the Comfort Inn & Suites Scholarship" said Katrina D'Argenis, the hotel's General Manager. The scholarship was created in celebration of the official naming of the newly remodeled meeting and function room space, now called the Paul Revere Room, in an effort to honor the fascinating history of Boston, and Revere's namesake. Jeff Saunders, President of Saunders Hotel Group, said "Paul Revere embodied all of the traits we live by every day; hard work, education, and community service. We are excited to be teaming up with the Revere High School by announcing this new initiative. D'Argenis said "The hope is that the Comfort Inn & Suites Scholarship will have a direct impact on a student graduating from our community high school and looking to further their education to make a difference in the future of Revere. We support higher education and want to contribute to their future success" The Comfort Inn & Suites Revere MA has been an active member of the Revere community since opening in September 2000 and this scholarship is just one more way we give back and stay involved locally. They will be awarding the winner of the Comfort Inn & Suites Scholarship to the Revere High student during their grand re-opening ceremony to be held in the newly remodeled Paul Revere Room on September 21, 2011.

The award winning Comfort Inn and Suites opened to acclaim in 2000 and is Logan Airport's busiest hotel serving over 75,000 hotel guests annually. The hotel offers 24-hour complimentary shuttle service, complimentary Wi-Fi, over 45 High Definition television channels, indoor pool, complimentary hot breakfast, and more. Additionally the hotel is home to Margarita's Mexican Cantina Restaurant. The Comfort Inn and Suites is owned and managed by Saunders Hotel Group of Boston.
